

INTERFAITH DUES Q & A

1. How does an interfaith household determine which Dues Category to choose?

To best determine which dues category is appropriate for your household, please contact our Executive Director, [Henry Feller](#), for a confidential discussion. Beth Am's dues structure with "Household of 1 Adult" or "Household of 2 Adults" emphasizes our desire to welcome interfaith spouses and partners into Synagogue life, and at the same time, to allow some flexibility to reflect the preferred level of participation for the non-Jewish spouse or partner.

2. Under the Dues Category of "Household of 1 Adult," how many High Holydays tickets may my household reserve?

For a nominal fee of \$45 per seat, a Household of 1 Adult may reserve High Holyday tickets for 1 adult and each child in their household over the age of six. An additional High Holyday ticket may be reserved for \$360 for the non-Jewish spouse or partner. With the Household of 2 Adult category, all of these tickets may be reserved for \$45 per seat.
