Beth Am's Community Solar Project!! Catch a Ray! Reduce your BGE bill, help Beth Am and save money on your personal bill!

Beth Am has partnered with Neighborhood Sun to decrease reliance on traditional gas and electric consumption and increase reliance on solar energy. Each time someone signs up, additional solar panels are added to a solar farm to provide your energy. Each month, this will save energy. On average, Beth Am families will avoid burning 8,961 pounds of coal each year! Each month, you, the subscriber, will receive a discount on your BGE bill. It's truly a "win-win-win."
